

A WAY HOME ANNOUNCES NEW INTERIM EXECUTIVE DIRECTOR

The Board of Directors of A Way Home, the Mecklenburg Council on Homelessness, is pleased to announce the appointment of Terri Seagraves as the Interim Executive Director. Terri is filling the void created with the passing of Chris Wolf, the Executive Director of A Way Home since its inception.

Terri brings her passion and many years of experience in serving the homeless and impoverished populations. A social worker by trade, Terri was the first Executive Director of McCreesh Place, a non-profit organization that provides affordable housing, along with supportive services. She was a key driver behind its creation and success, and when she returned to Charlotte in 2008, she served briefly as its Interim Executive Director again.

Terri has served in a Development Director role for two separate non-profit organizations, and her knowledge and experience with the funding community is strong.

Please join us in welcoming Terri to this vital role at A Way Home. She will be working closely with the Board of Directors, the Homeless Services Network, City and County governments, the Foundation for the Carolinas, and many other agencies and stakeholders who strive to help the homeless and near homeless populations.

We are all eager to build on the great strides made by Chris Wolf, and Terri has already begun by initiating collaboration and discussions within the network of providers in the community.

Please join us in welcoming Terri. You may reach her by email at tez1211@hotmail.com or by telephone at 704 576 9438.
